

Minturn Bike Park Fall Jump Jam FAQ

Registration is required. [Register online here.](#)

What is the event?

Town of Minturn and VVMTA are proud to announce the Minturn Bike Park's first Fall Jump Jam. This is something we've wanted to do since the bike park opened its doors 3 years ago, and we're really excited to finally be able to make it happen. The goal of this event is to bring the community together around a couple of things we all love... fun, and the bike park!

What can I expect at the event?

Did we mention fun already? That's number one. More specifically, you can expect a couple of different smaller events. The headliner is the Jump Jam, but we'll also have a Strider Race for the little ones (4 & Under), and a bunny hop competition (details below) that will be open to anyone.

How does a Jump Jam work?

They're all different, but we're running ours in an open jam format. That means that everyone who wants to participate can ride as much or as little as they want from 5-7pm. We'll have some secret judges watching everyone ride, and at the end of the jam sesh the judges will get together and decide who deserves to win each category. Basically, you just ride with your buddies, have as much fun as you can, and maybe you'll win a prize.

Who is the event for?

This event is open to anyone who wants to come participate, or spectate. No restrictions on age, ability or type of bike. If you like to ride jumps, we want you there. The only restriction will be for the strider race which will be open to anyone under 4yrs old.

What are the rules?

Respect gets respect. We don't have a ton of rules for this event, but there will be a lot of people using a finite amount of space both on the jumps and in the park as a whole, and we will all need to respect each other to avoid any problems. Here are a few guidelines...

*Don't cut anyone off if they're about to drop into a line

*Don't ever walk up the jumps while people are riding

Vail Valley Mountain Trails Alliance
PO Box 3986
Avon, CO 81620
www.vvmta.org

-
- *If you're in the jumps and you can't see the start zone, you're in danger of getting hit
 - *If you take a spill, get yourself and your bike out of the way asap
 - *Help each other out!
 - *If you're planning a dope transfer line, make sure you're aware of traffic on both lines
 - *Groms are the future, be cool to them
 - *Set good examples

The standard Minturn Bike Park rules also apply which can be found [here](#).

What are the prizes?

Don't expect anything life changing like a house or a car. This is the humble beginnings of what we hope will eventually be an event on everyone's calendar. For now you can expect things like gift cards to local Minturn businesses, and some bike related swag.

Do I need to register?

Yes, we'd love for you to register. Registering online ahead of time is awesome. Like, really awesome. If you can't manage that we'll have registration on site too, but just give the online registration a shot.

Registration is required. [Register online here.](#)

What is the schedule?

Ish... We'll roll with the punches day as we go, but this is what we're aiming for...

4:00pm: Check-in
4:30pm: Bunny Hop Competition
5:00pm: Strider Race
5:00 - 7:00pm: Jump Jam
7:00pm: Awards immediately following

The jumps are most awesome in the last hour or so of the day, so depending on exactly when the sun goes behind Meadow Mountain we may adjust the timing of the Jam accordingly.

Will there be food/drink on-site?

We're working on getting a food truck out there for the evening, but don't count on it. There are a few great restaurants in Minturn 5 minutes or less from the bike park. There won't be any beverage sales.
