EAGLE COUNTY TRAIL CHECKLIST

These trails present both miles of opportunity for adventure **and** a call to action to all trail users.

Count up how many you've checked off, and make a to-do list for the future. **Then, join the trail community in giving to the trails you love and the ones you haven't met yet. It takes over $1.5 million per year for VVMTA crews and volunteers give them the attention and care they deserve.**
